

AN ACT concerning State government.

**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 5. The Department of State Police Law of the Civil Administrative Code of Illinois is amended by adding Section 2605-575 as follows:

(20 ILCS 2605/2605-575 new)

Sec. 2605-575. Children's fingerprints. With the written permission of the child's parent or guardian, the Department may retain the fingerprint record of a child fingerprinted by the Department at any location of collection, such as a State fair, county fair, or other place the Department collects such data. The record may be retained and used only if the child is later missing or abducted, if an Amber Alert is issued for that child, or if a missing person report is filed for that child with one or more local law enforcement agencies, and for no other purpose. After the child reaches the age of 18, the record must be destroyed unless the Department, within a reasonable period after the fingerprinted person's 18th birthday, obtains the permission of the fingerprinted person to retain the fingerprint record.
